RE: Hercules Marine Services Corporation
Texas Natural Resource Conservation Commission

Dear Mr. Eggleston:

As per instructions from Allinda in your office, we are sending you a work copy of the partial records we have received from the TNRCC. As of June 12, 1998, Mr. Jim Savage, from the TRNCC has advised us that he is still in the process of securing those records from the legal department as requested in the Subpoena. We will stay in contact with Mr. Savage for further results of the pending records.

At this time we will keep the originals in our office until the time Mr. Savage has completed the request. At the time of completion, we will then prepare an invoice and bill you accordingly.

As always we thank you for utilizing our services. If you have any questions please call our office at any time.

Sincerely,

Elida L. Salazar
